This material is produced under Good Manufacturing Practices to ensure its hygienic quality for the packaging of food products.

\* Suffix letters which may appear on carton labels and invoices (W,T,SP, etc.) identify the method the products are packaged. The first four digits identify the composition of the material.

\*\* Temporary exposure to heat during shrinking exempt from limitations.

In order to assist you to meet your requirements under the Federal Food, Drug and Cosmetic Act, Sealed Air Corporation, Cryovac Division, hereby guarantees that the above-identified Cryovac products comply with the requirements of the Federal Food, Drug & Cosmetic Act as amended and all applicable food additive regulations but only for the intended use and subject to above conditions of use limitations. These guarantees are given only pursuant to said Act and for the purposes therein stated. The terms of the Cryovac Conditions of Sale apply.

The customer is advised that minor adjustments in the composition of the Cryovac products not affecting the above guarantee may be made from time to time.

In the event of the breach of this guarantee, the supplier's liability, if any, shall not exceed the expense which customer may incur or damage which customer may suffer by reason thereof limited to the extent of the value of such of the Cryovac products of the supplier shipped or delivered to or on the order of customer as may fail to comply with said guarantee.

Any and all prior guarantees or indemnity agreements heretofore given by supplier for Cryovac products herein defined are hereby revoked. This guarantee shall be continuing until revoked in writing by the undersigned.
